

Artifacts from a Little Known Site in Woodson County, 14WO309

These three slides show the only known artifacts from 14WO309, a military site in Woodson County. Shown are a lead ball, a bridle part with the lettering "US," and a Union Army Eagle General Services Enlisted man's button. The back mark on the button indicates it was made by the Waterbury Button Company of Connecticut, who have been in the business of making buttons since 1812.
