United States Senate

COMMITTEE ON
THE DISTRICT OF COLUMBIA

Jan. 2, 1931.

Governor Clyde M. Reed,

Topeka, Kansas.

Dear Governor:--

I enclose you copy of the procedure to be followed by the Department of Agriculture in the making of loans to farmers in the drouth stricken areas in accordance with the recent Act of Congress.

I am sorry we were not successful in getting authorization for the loans on live stock but as I wrote you it was simply impossible to put it over. We got it into the Senate Bill. Senator McNary and Senator Norris, members of the Conference Committee, informed me that they made a fight to keep it in but the House members of the Conference Committee refused to accept it.

Sincerely yours,

Arthur Capper
