Dear Madam:

Your letter of April 21st written to Governor Reed in regard to Dr. Brinkley has been referred to me for answer.

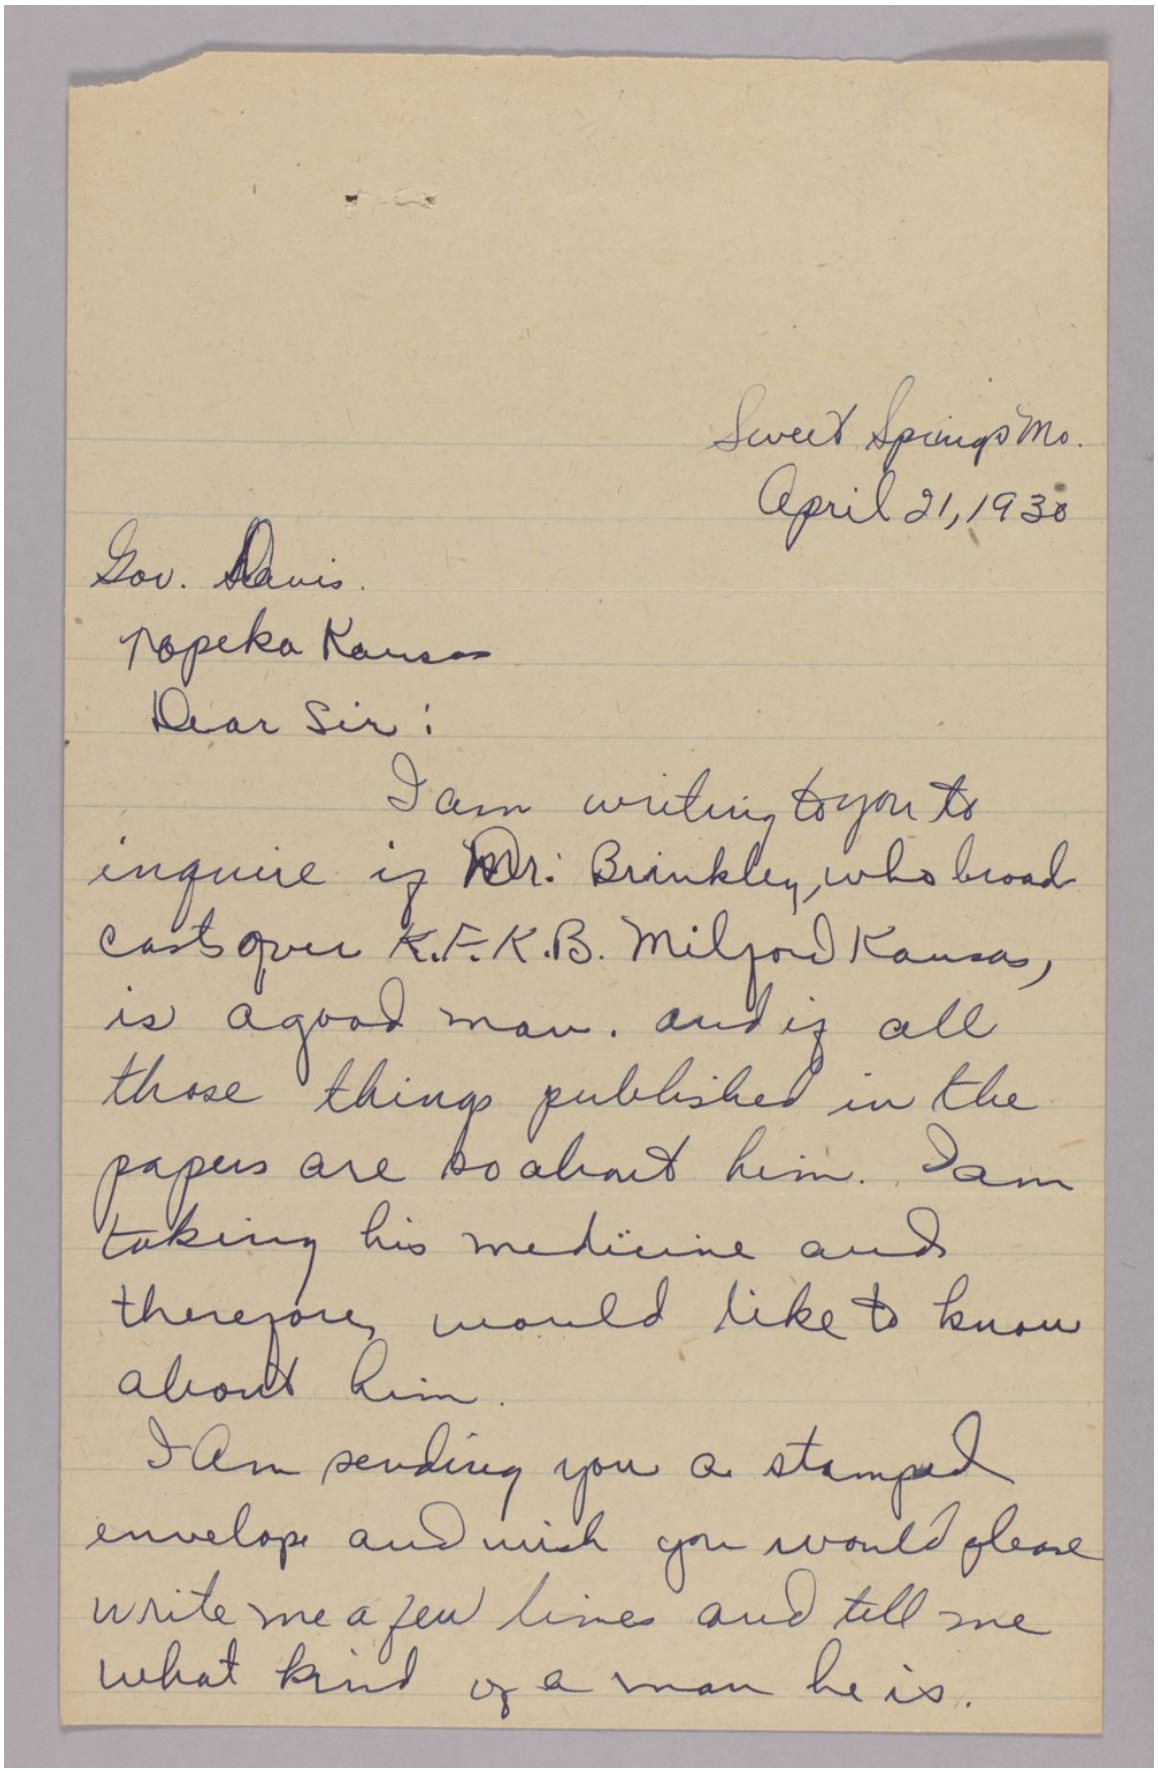

I do not know anything about Dr. Brinkley except the things that I have read in the newspapers, and I presume you have read the same articles. I know that it is charged he is not a graduate of any medical school of any standing, but I do not know whether these charges are true or false, and therefore would not care to say.

You will have to be your own judge as to the reliability and competency of Dr.Brinkley.

Very truly yours,

Executive Secretary

Thanking you in advance for
your trouble and wish you would
