please call up the State Fire Marshal.
He has one hand part gone & think its
his left hand if one hand is part
gone that didn't hinder him from
helping his partner make up lies or
me & them would have been made
legal at Emporia Kans. I
want you to call up Doctor or
Bishop & tell him it is believed
with being guilty of perjury that Judge
of our State Court in
Emporia does ask him to tell
what his partners name is. & did
his partner swear to put part of
the lies. If so what was it that
his partner swore to. you may expect
for Doctor to try to force you
out of him before he could tell of any
thing. last thing I ask you if
he would be willing to pay \$800.
for to get out of this trouble.
Take down all the signs & save one
a color well blid & do this for
you. I have Pearl to send me back
in the sum of East 12. store
where my home is. It was for 7 years.
I am a son from former & am still
needed there. & my many friends there.

respect & think you do
you have, and what's
snappy for the land -

Rushing
Rushy things this world so
unton never stopping
to consider when we would
hang them you would think
I was one them afraid
when at last they stop to under
when more around
they forget that city was hung
to a dismal place joined
that hard way of life some are doing
for the now stop to think.
only vary it the more
and then they are lost beyond
the limits.
if I could then very moment tell
and write down for you showing
how the devil get you, when
you are doing wrong?

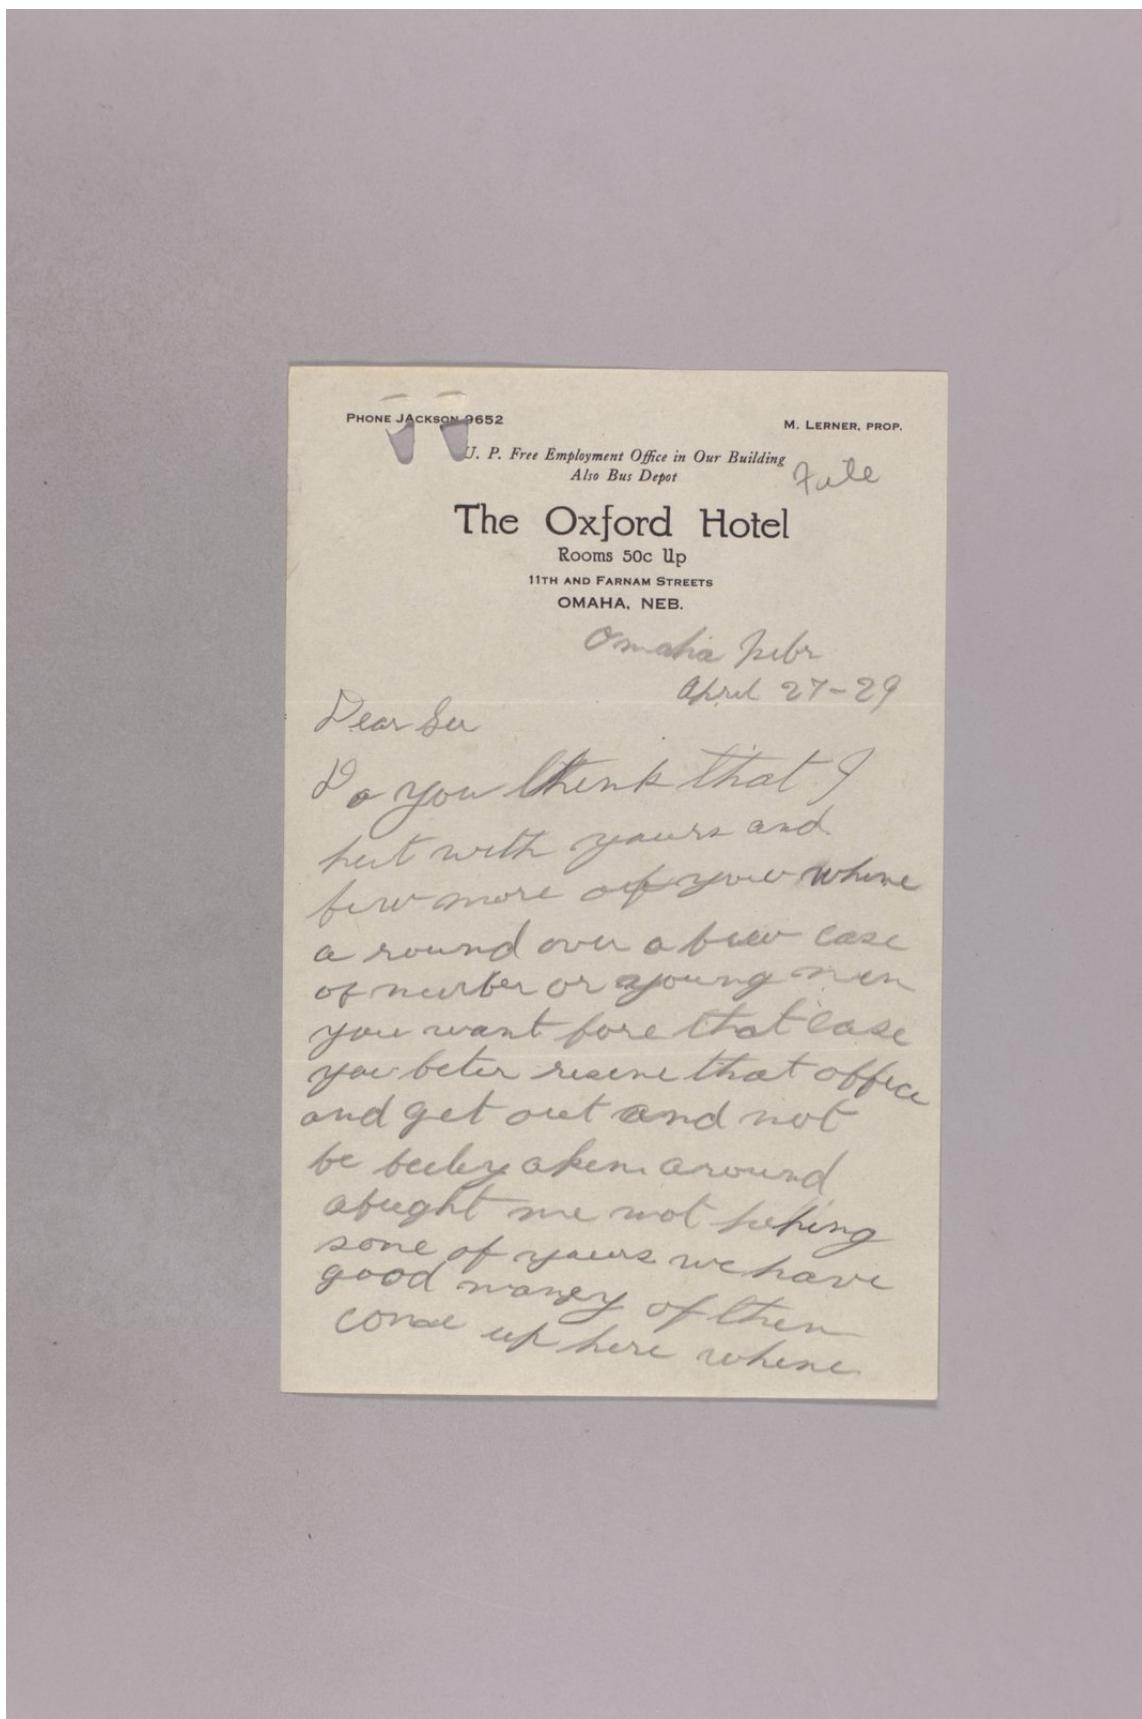

Yours truly John Brown Taylor
