Dear Governor:-

Allow me to suggest the name of our mutual friend, Adam Yagel, for the post of District Deputy Game Warden made vacant by the resignation of Col. Beard.

I have known Adam Yagel for some ten years and know him to be one of your staunch supporters and a fellow who can always be depended upon.

I am sure that his appointment will meet with the approval of many of your friends in this section.

Yours very truly,

Chas. H. Cory

CC/RM

Altamont. Kansas. July 21, 1930.

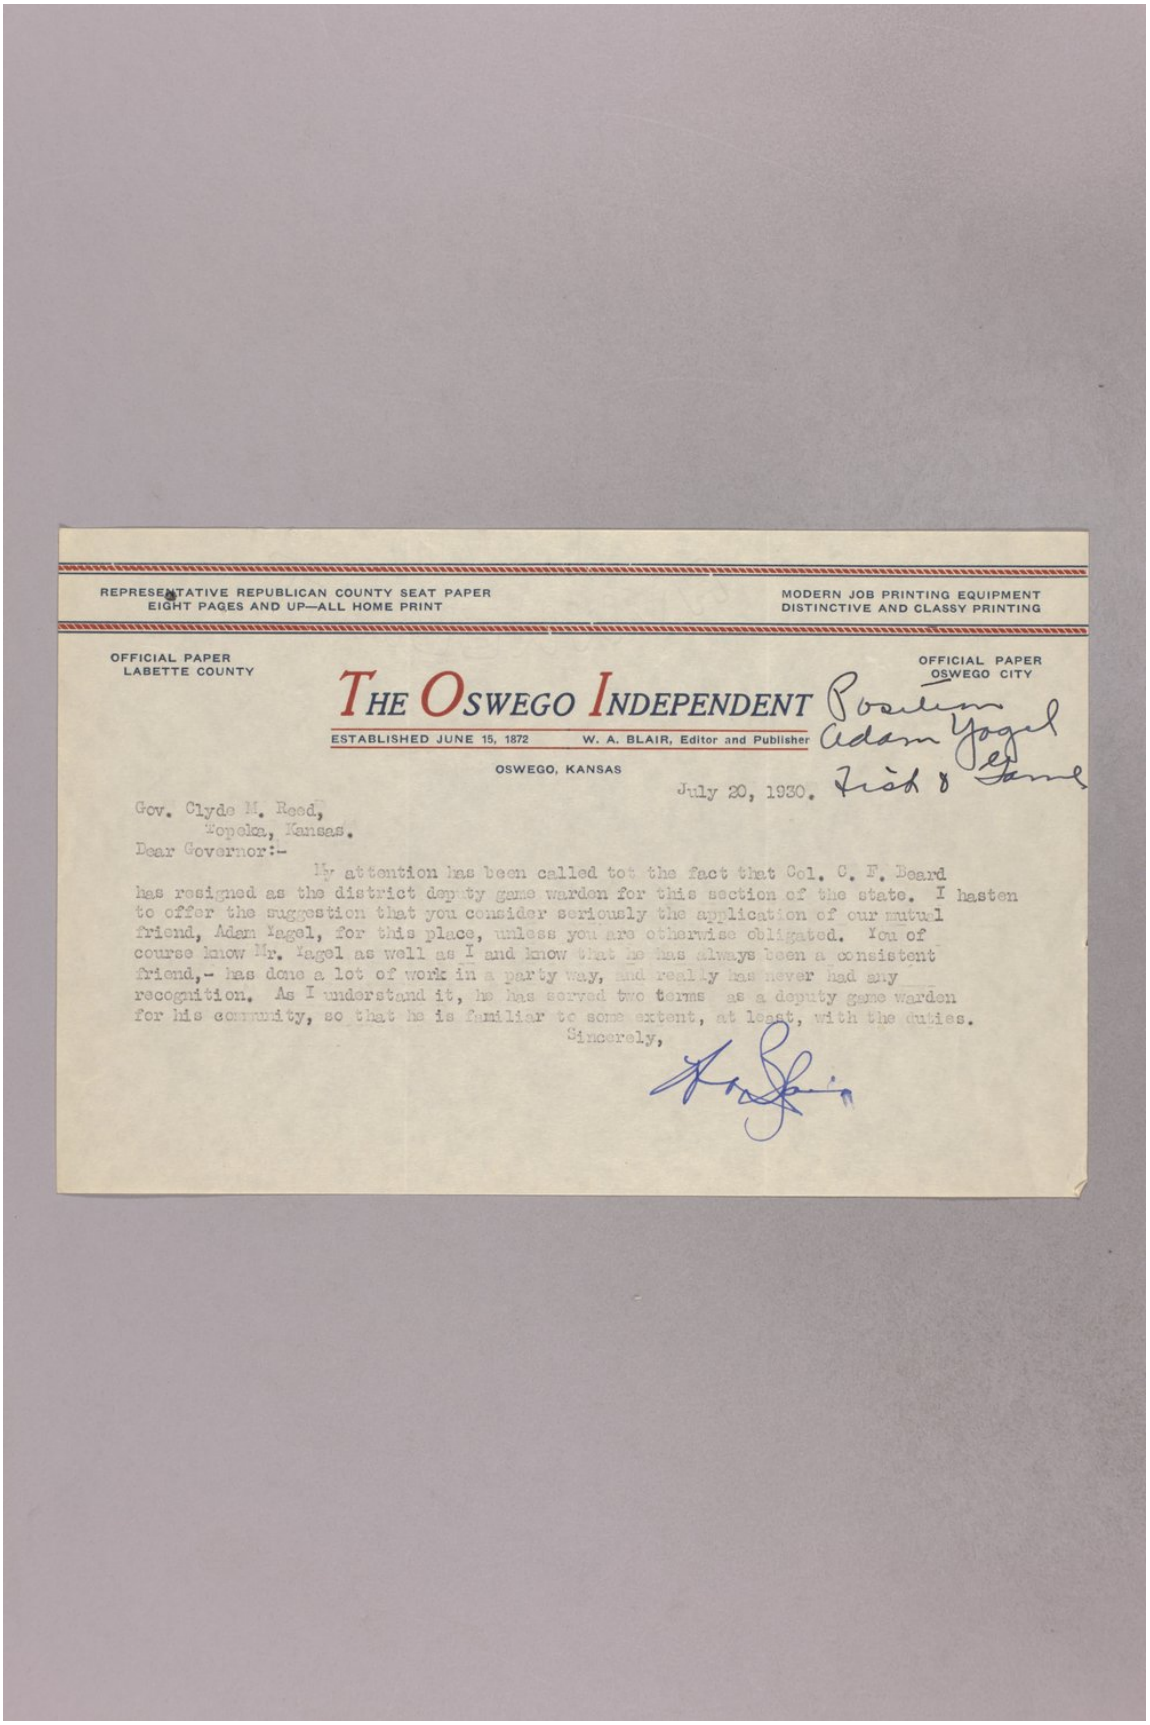

Dear Mr. Reed: Letters have apparently come to us from your office as well as from Alfred Landon at your headquarters. This is simply to reassure you that we are doing all in our power to correct the gross misrepresentations put out by Frank George here and by others in the county. To-day I visited every store and place of business in this town, and put up your picture in every one save three places which allow no candidates' cards of either party.

I even put one in the window of the Journal office, as Bill George came out, as I was putting up one next door and I could not help but ask him if he did not want one too. He said " Might as well" and came over and took one and went inside and put it along side, Haucke. I asked him how long he would let it stay and he replied "Oh' I'll let it stay, but I don't know how long it will stay after Dad sees it" Am I wasting your pictures?

To-morrow, one of the boys and I will put up your pictures along the 28 miles of highway 96 under John's supervision if we can get more at Parsons to-night. I used 25 down town this morning and Landon only sent me 10. Two different highway bosses had been here and left a couple of dozen apiece. I did not see how I could slight any of the stores and I ought to put up at least one to the mile on the highway, I figure. From now on till the Primary I shall spend all my spare time in personal work.

T. C. McCreary tells me that he is applying for the Game Warden's job left vacant by Col. Beard. I wish you would see fit to help him get it. He has been Republican trustee here for years and was a good worker for you and is personally popular with both parties here and is well known over the entire county. I think you know him personally too. He would take much better with the general populace than Adam Yagel or anyone else from this section, that I have heard mentioned. Mrs. Helen Mairs.

Dear Governor:-

My attention has been called tot the fact that Col. C. F. Beard has resigned as the district deputy game warden for this section of the state. I hasten to offer the suggestion that you consider seriously the application of our mutual friend, Adam Vagel, for this place, unless you are otherwise obligated. You of course know Mr. Vagel as well as I and know that he has always been a consistent friend,- has done a lot of work in a party way, and really has never had any recognition. As I understand it, he has served two terms as a deputy game warden for his community, so that he is familiar to some extent, at least, with the duties.

Sincerely,

Dear Governor;

Adam Yakel was in to see me yesterday and requested that I write you in his behalf as to the appointment of State Deputy Fish & Game Warden to take the place of Mr. Beard.

I didn't know that Mr. Beard had resigned until Adam came to see me.

I believe Adam could fill this position and I am sure he needs it too and I am sure he has always supported you and I hope you will consideration his application.

Whatever you think best will be acceptable and I am sure will be the thing to do.

I think things are coming along all right here although there is some opposition which we had expected.

Dear Will:

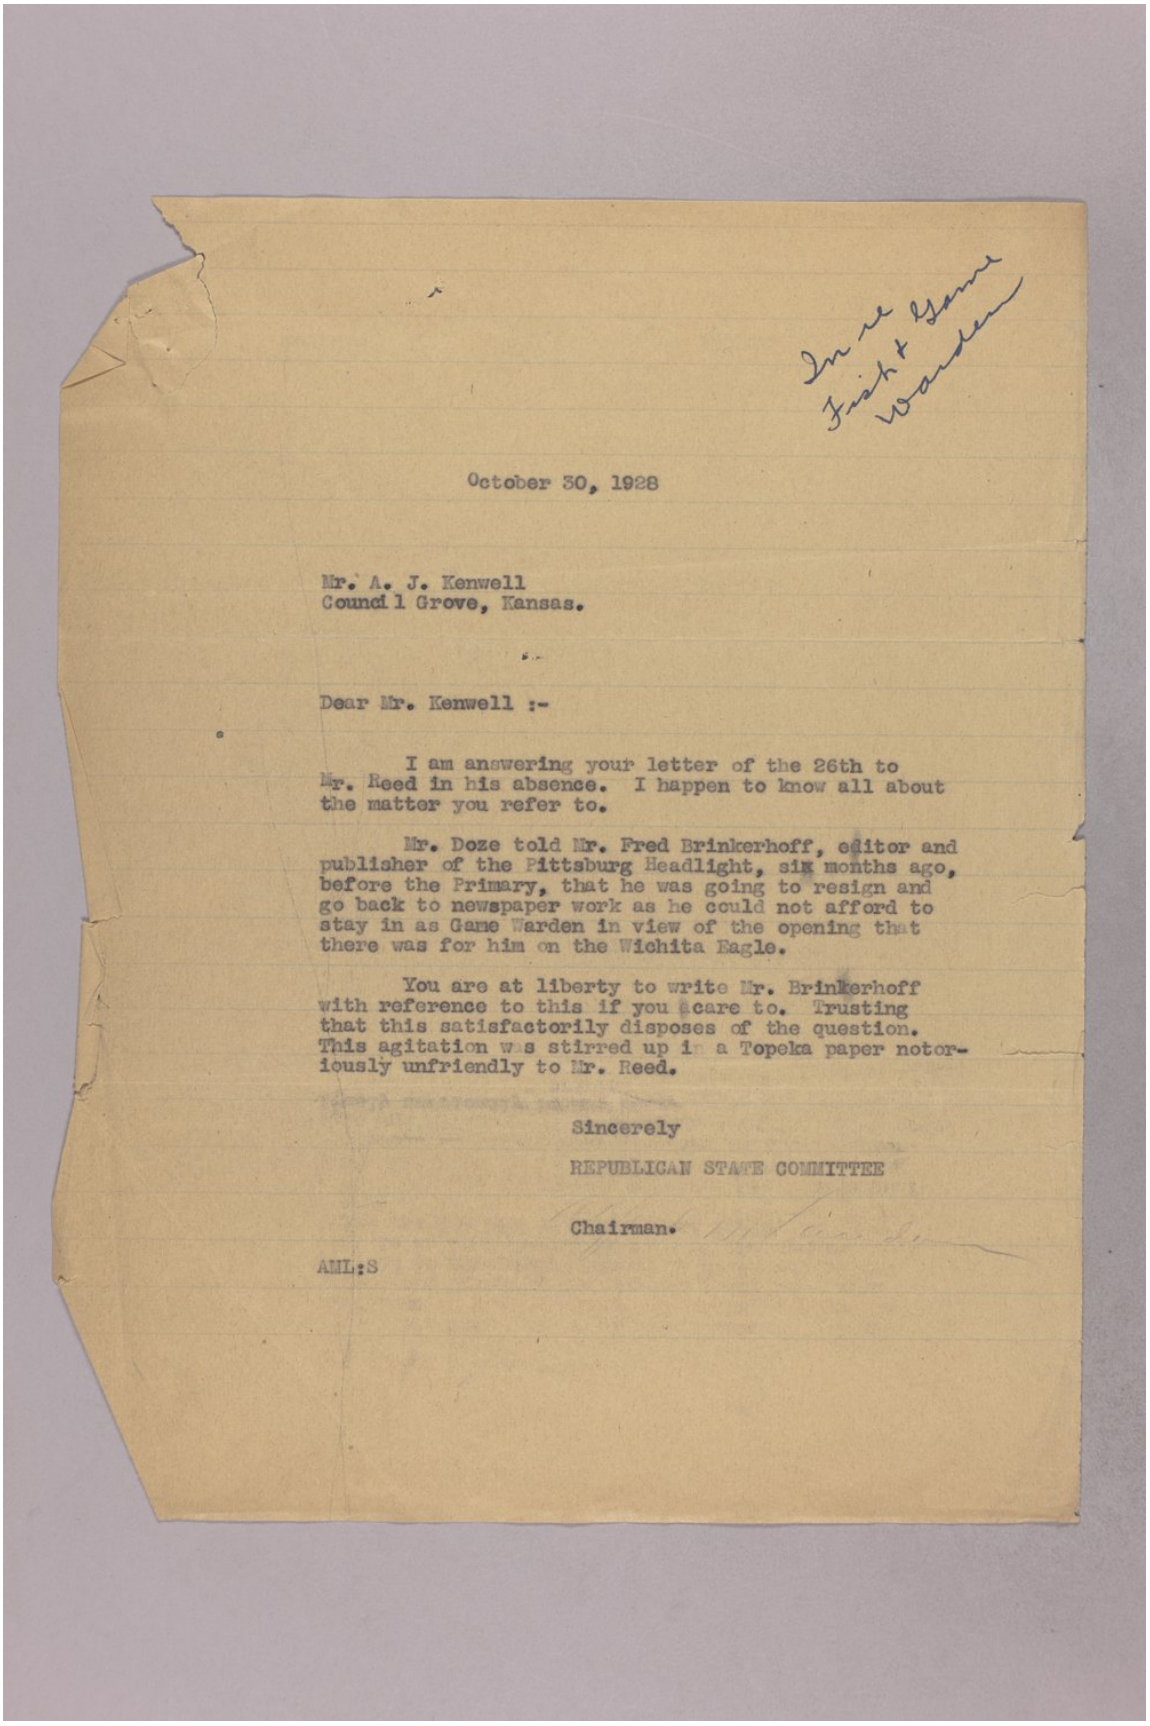

I have your letter regarding E. C. Davis of Parsons, who wishes an appointment as deputy state game warden to succeed Mr. C. F. Beard. As you know, we are not taking any action regarding wardenships at this time. I think, however, at an early date we will have a meeting of the Commission, at which time these matters will be taken up. I am today writing Mr. Davis, acknowledging his application.

Dear Mr. Kenwell :-

I am answering your letter of the 26th to Mr. Reed in his absence. I happen to know all about the matter you refer to.

Mr. Doze told Mr. Fred Brinkerhoff, editor and publisher of the Pittsburg Headlight, six months ago, before the Primary, that he was going to resign and go back to newspaper work as he could not afford to stay in as Game Warden in view of the opening that there was for him on the Wichita Eagle.

You are at liberty to write Mr. Brinkerhoff with reference to this if you care to. Trusting that this satisfactorily disposes of the question. This agitation was stirred up in a Topeka paper notoriously unfriendly to Mr. Reed.

Dear Mr. Reed:-

This is to acknowledge receipt of your telegram dated October 4th, "Clapp selection satisfactory and I will continue him if selected".

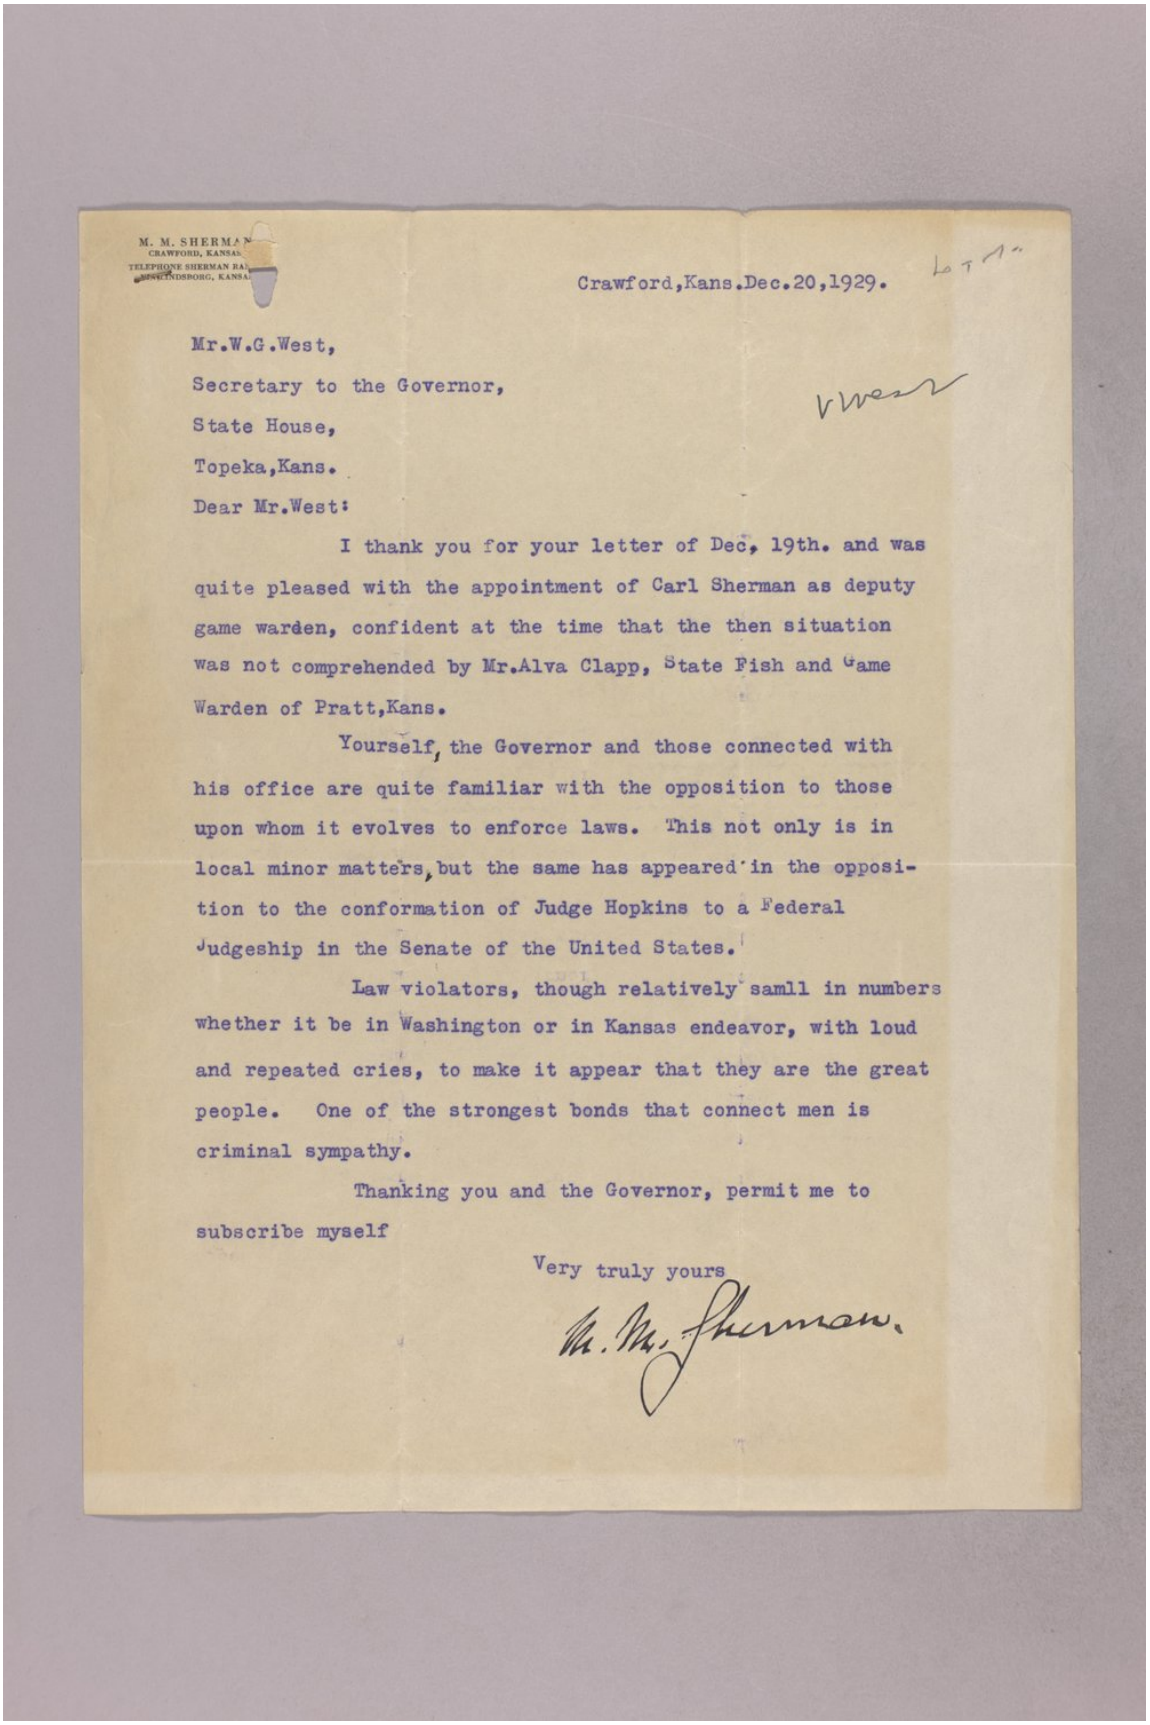

As you, no doubt, know the appointment was made by Governor Paulen and it gives me pleasure to advise that the appointment is very satisfactory to Governor Paulen, the Commissioners and, we believe, will meet with the approval of the sportsmen throughout the State.

Mr. Atherton accompanied me from Topeka to Hutchinson and on to Wichita where we conferred with the officers of the Izaak Walton League of Kansas and we have their assurance that the appointment of Mr. Clapp will meet with their approval.

Dear Mr. West:

I thank you for your letter of Dec, 19th. and was quite pleased with the appointment of Carl Sherman as deputy game warden, confident at the time that the then situation was not comprehended by Mr. Alva Clapp, State Fish and Game Warden of Pratt, Kans.

Yourself, the Governor and those connected with his office are quite familiar with the opposition to those upon whom it evolves to enforce laws. This not only is in local minor matters, but the same has appeared in the opposition to the conformation of Judge Hopkins to a Federal Judgeship in the Senate of the United States.

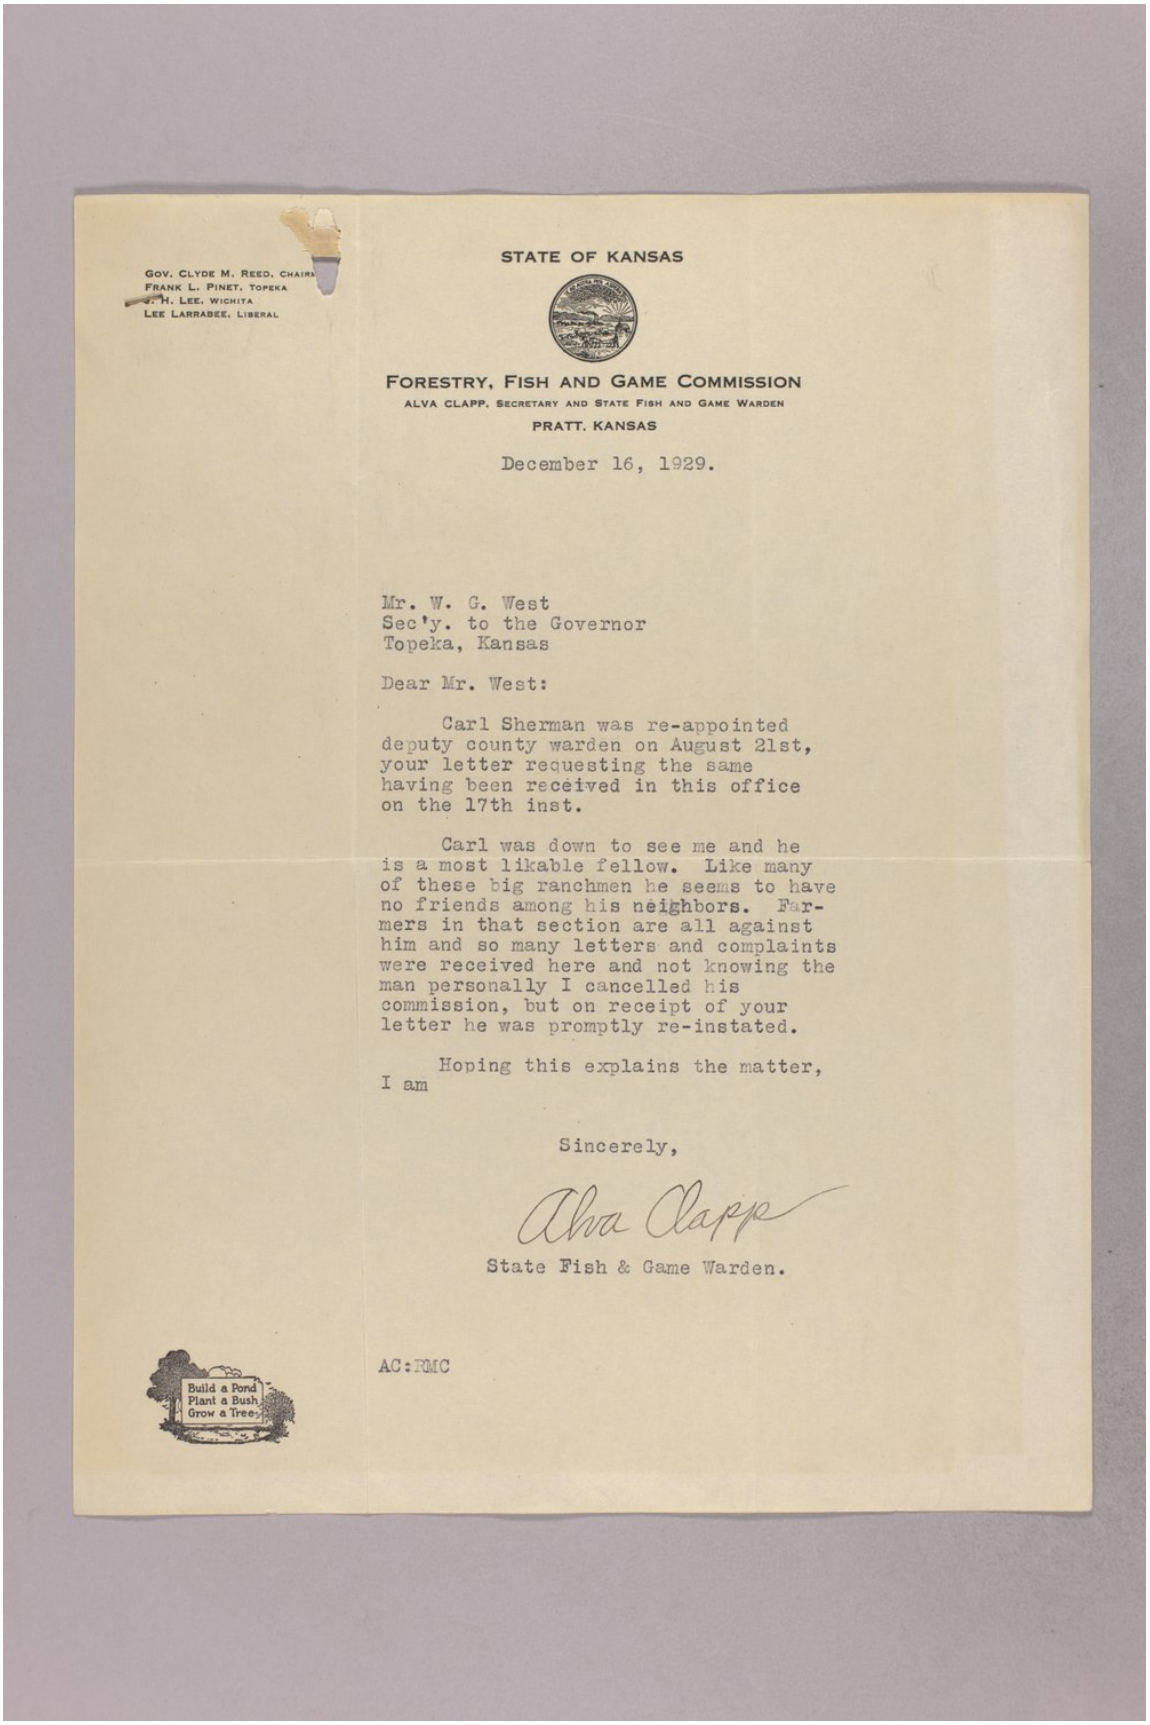

Law violators, though relatively samll in numbers whether it be in Washington or in Kansas endeavor, with loud and repeated cries, to make it appear that they are the great people. One of the strongest bonds that connect men is criminal sympathy.

Thanking you and the Governor, permit me to subscribe myself

Dear Mr. West:

Carl Sherman was re-appointed deputy county warden on August 21st, your letter requesting the same having been received in this office on the 17th inst.

Carl was down to see me and he is a most likable fellow. Like many of these big ranchmen he seems to have no friends among his neighbors. Farmers in that section are all against him and so many letters and complaints were received here and not knowing the man personally I cancelled his commission, but on receipt of your letter he was promptly re-instated.

Hoping this explains the matter, I am

In re Yowell - Deh Game Warden

November 11, 1929.

Governor Clyde M. Reed,

Topeka, Kansas.

My dear Clyde:

Referring to the enclosed memorandum, I wish to say that I explained to Mr. West that these people are unduly alarmed. There is not now and never had been any disposition to drop Mr. Yowell from our list of wardens.

At the last meeting with the Commission Mr. Lee and I suggested to Mr. Clapp that if Mr. Yowell was satisfactory it would be well for him to get endorsements from the Izaak Walton League and other sportmen's organizations. We suggested this for the reason that Mr. Yowell had not been given a permanent place as warden and, while we desired to continue him in the wardenship, we wanted it to be satisfactory to the people in the neighborhood of Garden City.

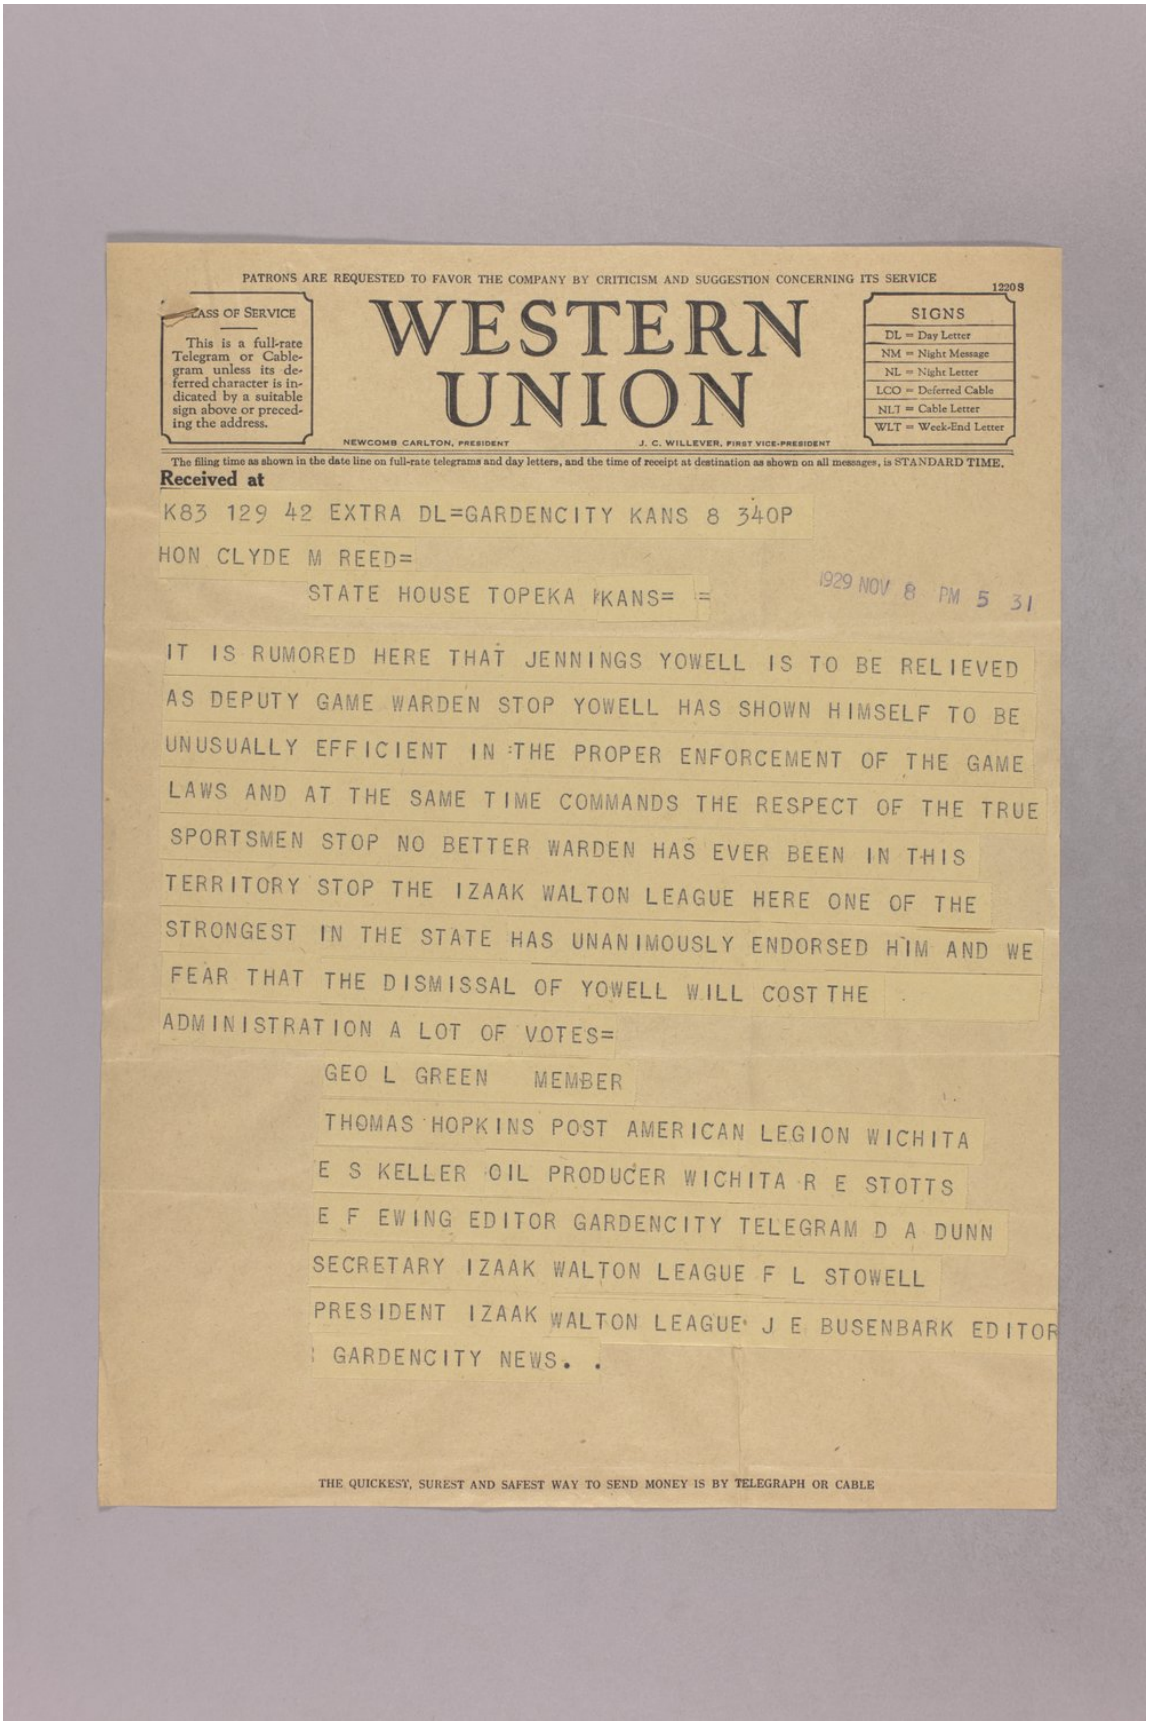

I am very glad to know that Mr. Yowell has the backing of the very people we were desirous of pleasing.

Sincerely yours,

Hon. Clyde M. Reed.
Topeka, Kansas.

As some of my letters to Mr. Landon has failed to receive any reply, and for this reason thought that he may not be in Topeka at this time, I am taking the liberty of writing your office in Topeka relative to the appointment of John Morehead of this place to the position of Game Warden of this district, which as you know is the 7th. and which he had held up to the Sept. 1st. of last year, and I wish to state that it is a well known fact that he was let out for his active part taken in the primary in your behalf, and it is for this reason that the boys here, such as the Lathrop and Relihan's have tried to have him re-appointed, and as your last letter told me that you had turned this matter over to Landon, I had taken it up with him, he informed Walt Lathrop the last time he was in Topeka, that he would take care of him, but nothing has been done at this time. Morehead was chairman for Henry J. Allen in his term of governor, and has his endorsement, of which you may know of, and for the reasons as stated above I am taking the interest in this matter.

Dear Mr. Pinet:

Governor Reed wrote to Drew McLaughlin relative to the J. M. Smart matter and has received a reply which included the following:

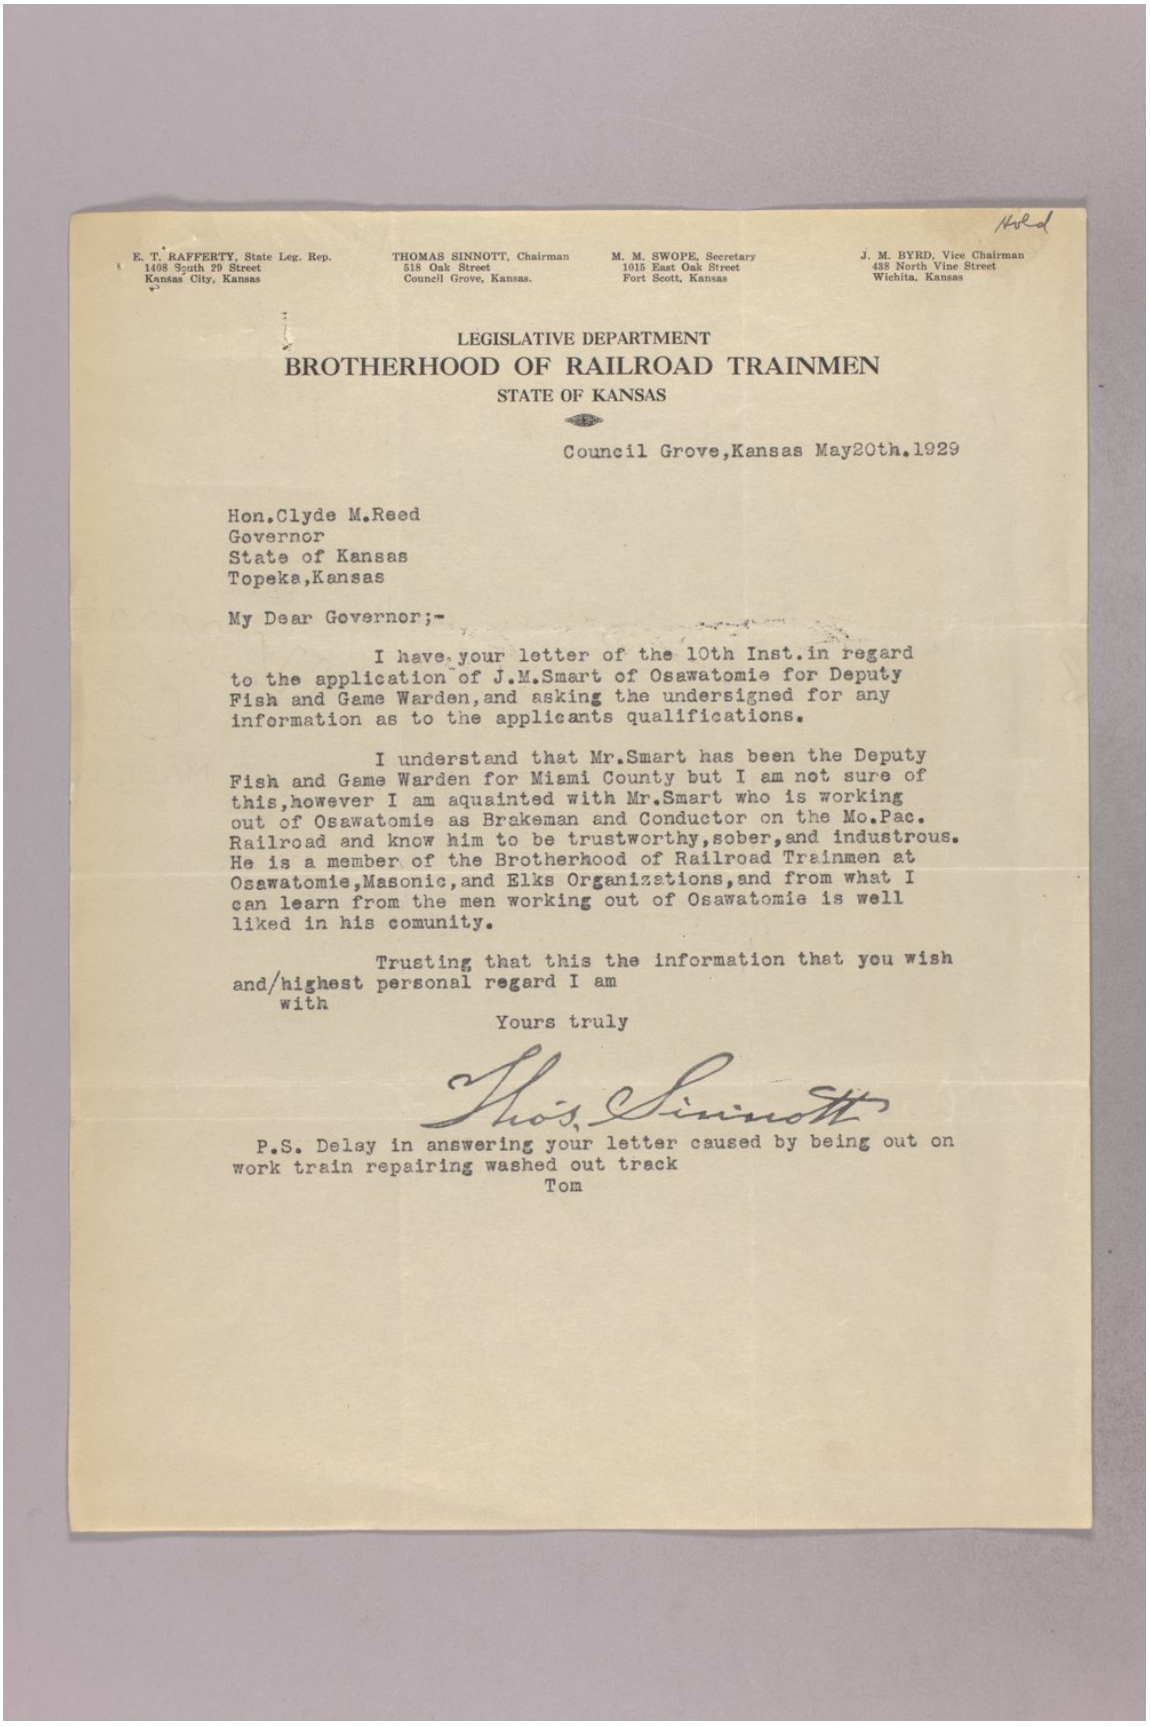

"I drove over to Osawatomie to make inquiry about Mr. Smart. I found he is a Missouri Pacific brakeman and conductor who likes to hunt and fish. Those Republicans in Osawatomie who were loyal to the ticket in November do not recall that Mr. Smart was active in political work. They say he is a good fellow who wouldn't harm his friends. There is no record of any arrests he made during the period he was a deputy warden. He is a sportsman who takes pride in being a deputy warden--wants the office as a sort of fancied distinction. From what I gather it would not do any harm if he had the appointment. Also, the enforcement of game laws wouldn't be blocked if he failed to land. It might be a good thing to appoint him in order to make medicine for the next campaign. If he isn't appointed there will be little harm done. The loyal Republicans in Osawatomie seem to rejoice because those who bolted you are failing to get favors they want."

Very truly yours,

WGW:DT

Secretary to the Governor.

My Dear Governor;-

I have your letter of the 10th Inst.in regard to the application of J.M.Smart of Osawatomie for Deputy Fish and Game Warden,and asking the undersigned for any information as to the applicants qualifications.

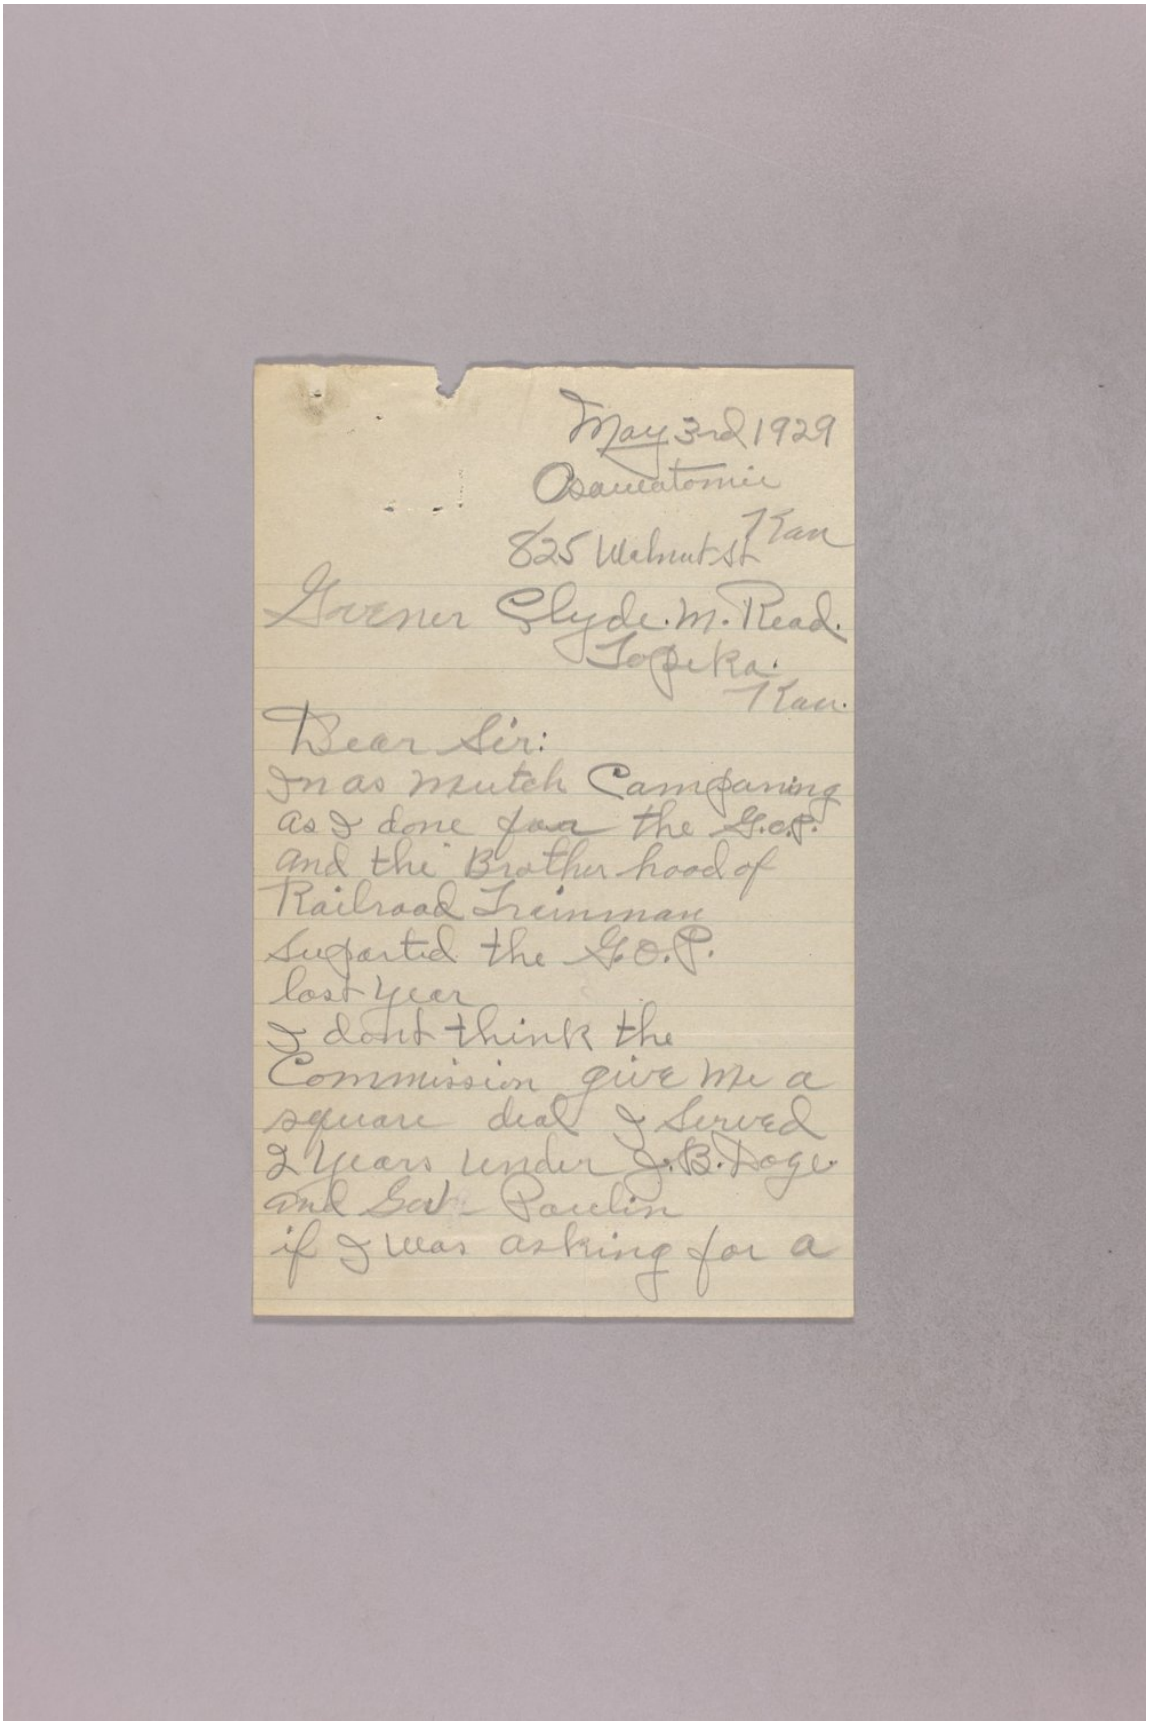

I understand that Mr.Smart has been the Deputy Fish and Game Warden for Miami County but I am not sure of this,however I am aquainted with Mr.Smart who is working out of Osawatomie as Brakeman and Conductor on the Mo.Pac. Railroad and know him to be trustworthy,sober,and industrous. He is a member of the Brotherhood of Railroad Trainmen at Osawatomie,Masonic,and Elks Organizations,and from what I can learn from the men working out of Osawatomie is well liked in his comunity.

Trusting that this the information that you wish and/highest personal regard I am

Dear Sir:

I have your inquiry concerning your application for appointment as county deputy game warden.

Your application was received and the customary investigation was made of you and while we approved of your application the Forestry, Fish and Game Commission thought it inadvisable to appoint any other wardens in the northeastern part of the state particularly in Douglas, Miami, Franklin and Johnson Counties.

In the event that the Commission decides to make other appointments in the above counties I will place your petition before them again.

Sincerely yours,

Alva Clapp
State Fish and Game Warden
