Dear Sir –

We have to day sent forward by Rail Road, one Case containing 200 Revolvers. Flask implements. & extra Springs as agreed – marked –

"J. B. Care Dr Jesse Bowen

The case also contains 50 Maynard primers as ordered – of which a bill is annexed.

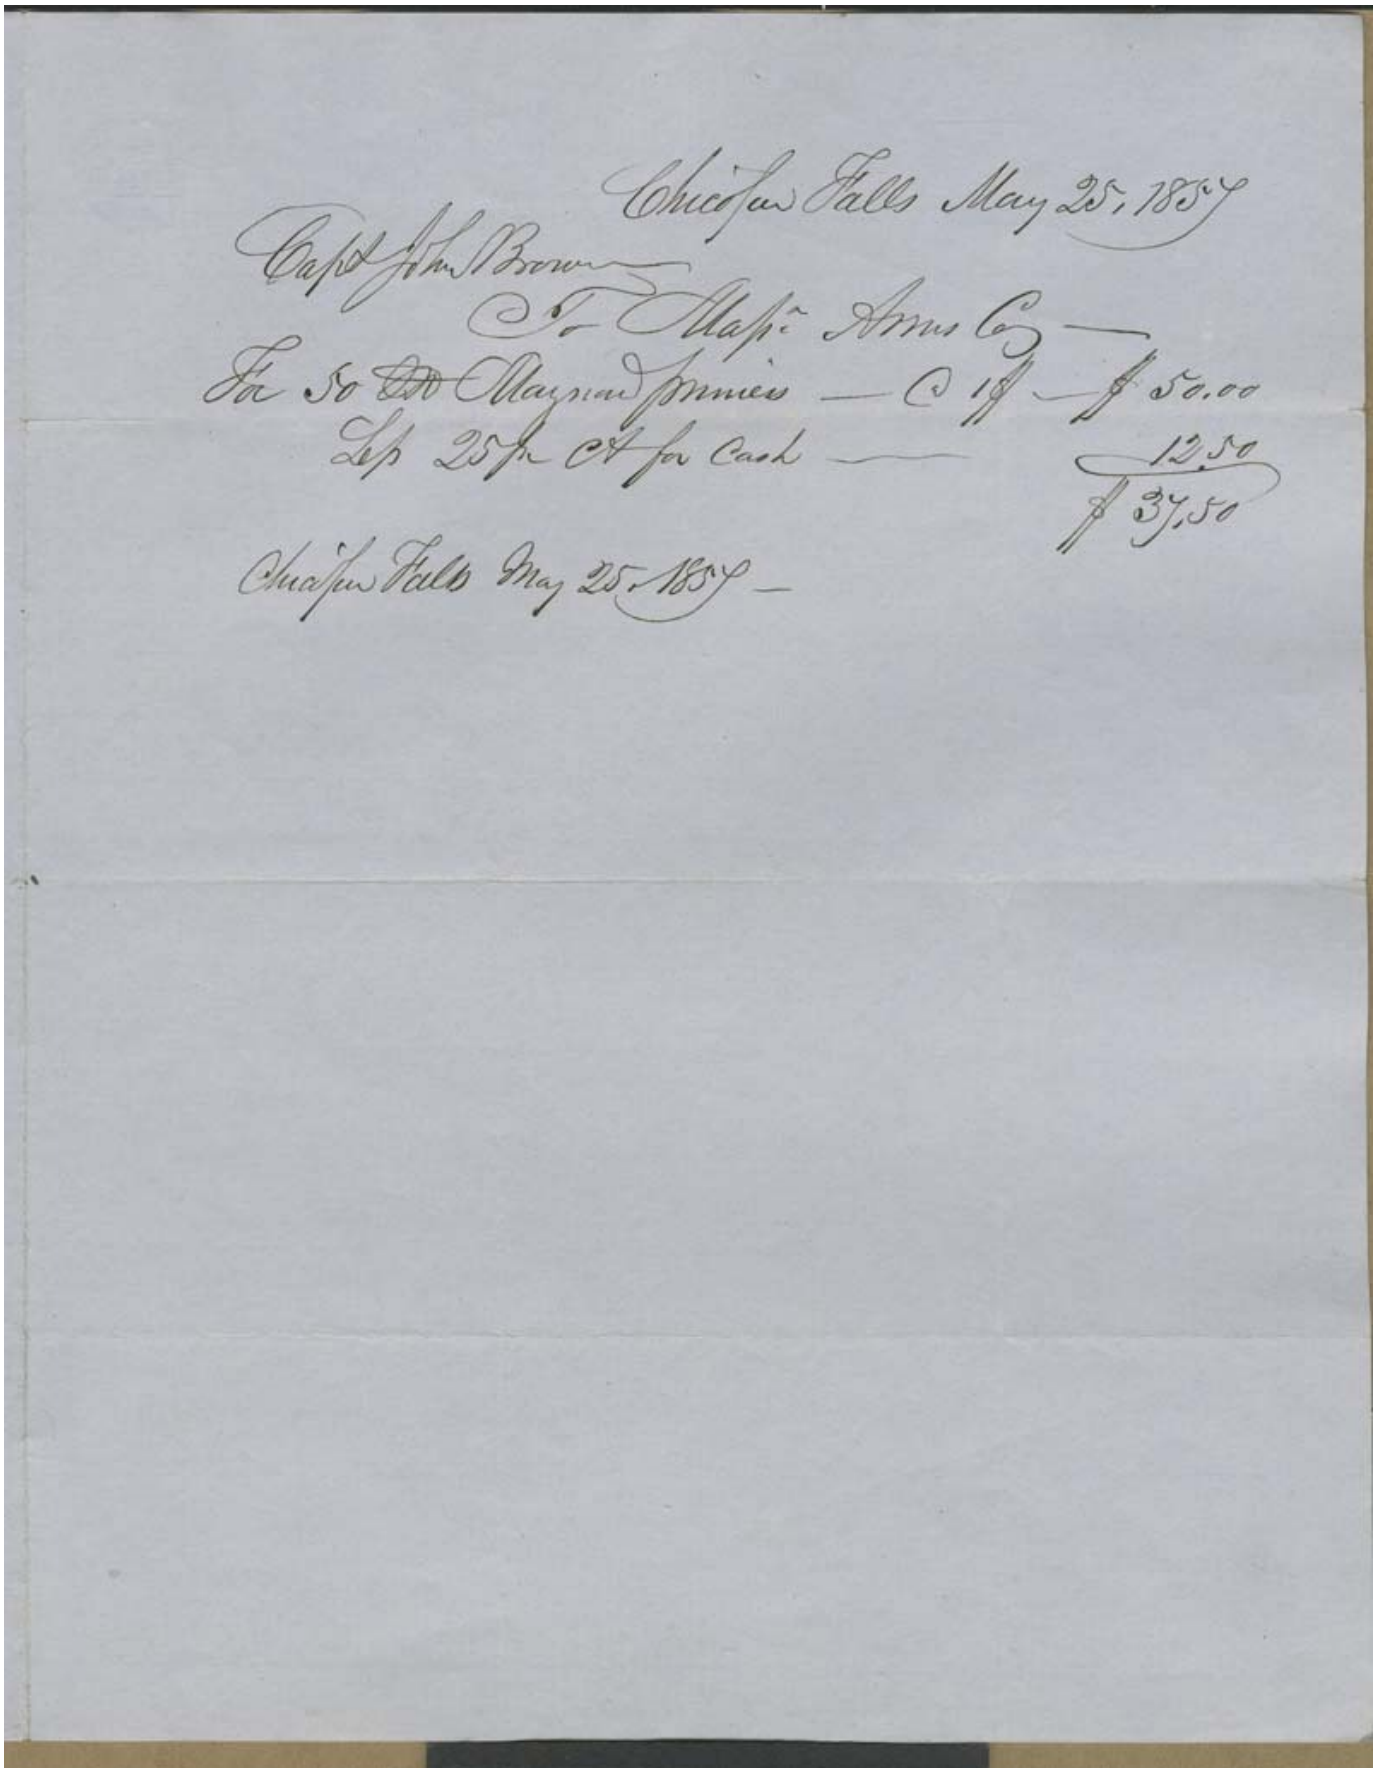

The bill for Revolvers &c has been sent to Geo. L. Stearns Esq as proposed.

We trust the above will come to hand in good time and condition, and that there may be no occasion for their service in securing rights which ought to be guaranteed by the principles of justice and equity. We have no fear they will be just as serviceable in your hands for other purposes –

Yours very truly
